Women Beware Women

Sunday, February 17, 2019 at 6:30pm

Bianca is a young Venetian "from parents great in wealth" who elopes with the poor Leantio, a Florentine. She soon draws the attention of the Duke of Florence, who attempts to woo her with the help of the widow Livia. Meanwhile, Livia's brother is tormented because he is in love with their niece. In a society where the worst excesses of unbridled desires reign, what will befall them all?

Middleton was a collaborator of Shakespeare's who wrote in a wide variety of genres and who had his work performed on a greater variety of stages than anyone of the period. Women Beware Women is considered to be one of his masterpieces.
